Customized Maximization of your Exhibit Experience?

We have the exposure opportunities that will fit your budget and marketing goals.

We have the exposure opportunities that will fit your budget and marketing goals. Whether you plan on spending \$5,000 or \$50,000, we will work to provide an exhibiting experience tailored to your needs!

Advertising Opportunities

Pre- and post-show attendee mailing lists, pre-show e-mails to attendees, Show Directory advertising and Web ads are all available to boost your visibility before, during and after the show!

What are your customers looking for in an Expo?

The Future of AEW

The 10th Algeria Electricity and Water Expo attendees want to be on the cutting-edge of the industry as they plan coming year.

They want exhibitors who are looking to the future with the latest products and services available. Debut your newest offerings and gain the attention of the industry's purchasing powerhouses. Make their must have lists for 2023!

Return of Investment

Dedicated professionals from all over Algeria and North Africa make a commitment to spend their time away from the office receiving the best educational programming the industry has to offer.

The combination of world-class educational sessions and a variety of networking opportunities provide our attendees with a comprehensive experience that addresses all of their professional needs. The addition of interaction with the leaders of the industry on the Expo floor enhances their experience. Your presence is a key ingredient in their ROI.
